The Going Green Committee at Shenandoah Valley Westminster-Canterbury (SVWC) will celebrate Arbor Day and SVWC's commitment to "Going Green" with the planting and dedication of a Serviceberry tree on Friday, April 24 at 10 a.m. The tree, donated by Fort Valley Nursery in Woodstock, Virginia "symbolizes our dedication to the stewardship of the environment and Westminster-Canterbury's ongoing efforts to build a more ecofriendly community," says Brandon Clark, Director of Dining Services and Chairman of the Going Green Committee. The Committee comprised of residents and staff meets regularly to discuss ways that Westminster-Canterbury can adopt "best practices" for going green.

Future plans for the Going Green Committee include expansion of their efforts outside of Winchester. In coming years, SVWC will donate trees to cities across the United States that have lost large portions of their tree populations due to the effects of natural disasters.
